

The background image shows the Orlando skyline at night, with numerous illuminated skyscrapers reflected in the calm water of Lake Eola in the foreground. The sky is dark with some scattered clouds.

Partnership Proposal

The logo consists of four thick, diagonal bars forming a stylized 'V' or chevron shape. The bars are colored red, blue, green, and yellow from left to right.

DevFest Florida is the biggest Google tech conference in Florida this year. It is all about Android and the Web, straight from the experts.

Organized by three Google Developer Group (GDG) chapters: **Sun Coast**, **Central Florida**, and **Space Coast**.

GDGs are open communities, run by volunteers passionate about Google technology, and look to share their experiences and knowledge with others.

DevFest Florida 2016

What To Expect

Three tracks covering the latest in Android, Web & Cloud, and a Tango hackathon. Build a Tango app on hardware to compete for prizes.

Expect over 100 participants! They consist of 61% experienced, professional developers and 28% students or hobbyists.

Technologies covered

Tango

Firebase

DevFest Florida is going to cover
Angular, Android, Polymer, Firebase, and Tango.

DevFest Florida 2016

A large blue "Welcome to FLORIDA" sign stands prominently against a backdrop of tall palm trees under a clear blue sky. The sign features the word "Welcome to" in a cursive font at the top, followed by "FLORIDA" in large white letters, a yellow sun icon, and "THE SUNSHINE STATE" in a stylized font below.

Venue

Lake Buena Vista will be home to DevFest Florida 2016.

More details to come soon on our venue.

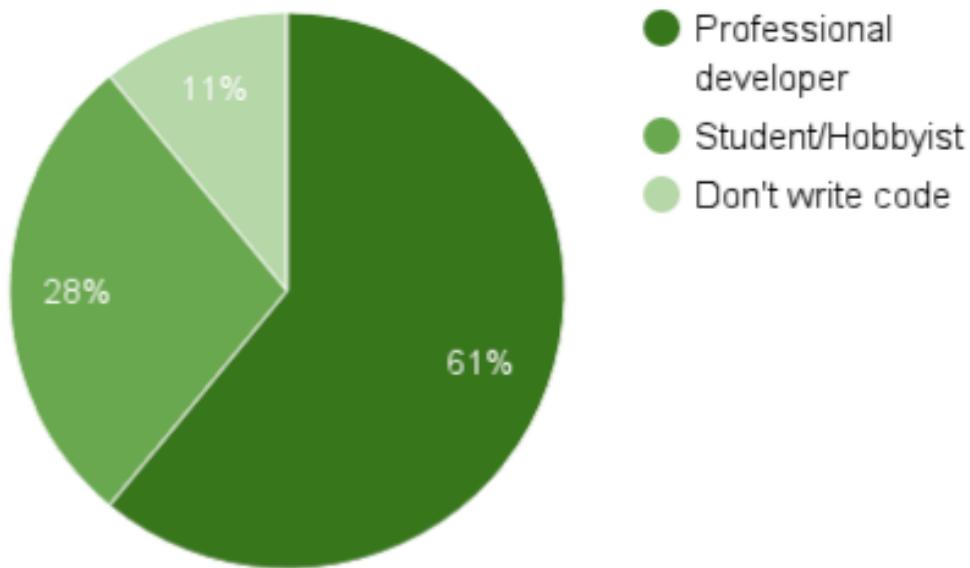

Nearby you'll find Walt Disney World, Universal Studios, beautiful golf courses, and premium outlet shopping.

DevFest Florida 2016

Attendee Statistics

Attendee breakdown

Most of our attendees work directly with Google technologies.

Great opportunity to get your business, or product, in front of developers and students.

Many attendees have experience with other platforms such as .NET, Azure, iOS, AWS, Python, etc.
