**DevFest Florida** is the biggest Google tech conference in Florida this year. It is all about Android and the Web, straight from the experts.

Organized by three Google Developer Group (GDG) chapters: **Sun Coast**, **Central Florida**, and **Space Coast**.

GDGs are open communities, run by volunteers passionate about Google technology, and look to share their experiences and knowledge with others.

## DevFest Florida 2016

# What To Expect

Three tracks covering the latest in Android, Web & Cloud, and a Tango hackathon. Build a Tango app on hardware to compete for prizes.

Expect over 100 participants! They consist of 61% experienced, professional developers and 28% students or hobbyists.

# Technologies covered

Tango

Polymer

DevFest Florida is going to cover  
**Angular, Android, Polymer, Firebase, and Tango.**

DevFest Florida 2016

A large, blue "Welcome to FLORIDA" sign stands prominently against a backdrop of tall palm trees and a clear blue sky. The sign features the word "Welcome to" in a cursive font at the top, followed by "FLORIDA" in large white letters, and "THE SUNSHINE STATE" in a stylized font below it. A small graphic of a sun is integrated into the letter "O".

# Venue

DevFest Florida 2016 will take place on November 5<sup>th</sup> at  
**Sheraton Lake Buena Vista**  
**12205 S Apopka Vineland Rd**  
**Orlando, FL 32836**

Nearby you'll find Walt Disney World, Universal Studios, beautiful golf courses, and premium outlet shopping.

# Attendee Statistics

## Attendee breakdown

- Professional developer
- Student/Hobbyist
- Don't write code

Most of our attendees work directly with Google technologies.

Great opportunity to get your business, or product, in front of developers and students.

Many attendees have experience with other platforms such as .NET, Azure, iOS, AWS, Python, etc.

# Support us as a Sponsor

	DIAMOND \$2000	GOLD \$1000	SILVER \$500	COPPER \$250
